The Swedish Church of Vantör is a part of the national Swedish Church – a Christian Lutheran church. The church of Vantör consists of Högdalen, Rågsved, Hagsätra, Bandhagen, Örby and Stureby areas. The parish has two churches, one in Högdalen (the Vantör church) and the other one in Hagsätra (a chapel). You are welcome to participate in masses, services but also to come and listen to our concerts, participating in our child and youth programs, get married, becoming baptized or getting support in difficult times in life, come to our lunches and lots lots more.

When you get baptized in the Swedish church you automatically become a member

But if you already are baptized in another church your membership inquiry will be processed after a minor talk with one of our ministers. There are also other ways to become a member, for further information assistance please feel free to contact us. If you are not sure if you are a member we can easily check that for you. We will gladly assist you.
