

# A treasure hunt for Symbols

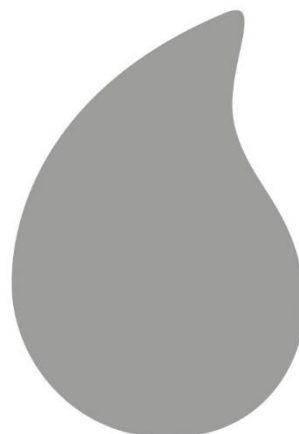

*In this church you can take part in a Treasure hunt for symbols and get a token as a gift!*

There are many symbols to discover. Perhaps you can find them on the church door, in paintings, as decorations on an object or on the baptismal font.

In this church you can find and get a token as a gift to collect in a string. If you visit other churches that take part in the Treasure hunt for symbols you might be able to collect all the colours of the token in your string. The water drop come in four different colours.

Welcome to look for and hopefully find  
Symbols!
