

## Twinning Agreement and Statement of Purpose

We who seek to be Christ's disciples in the Churches of Holmsund Parish, Sweden (Diocese of Luleå) and Thetford Parish, England (Diocese of Norwich) are in agreement, and of one accord, to be linked for our mutual benefit and for the greater glory of God.

We will do this by:

- Praying for each other, both corporately and individually.
- Sharing information; the monthly newsletters from the churches in Thetford are sent to Lars-Olov Sjöström and the parish magazine from Holmsund is sent to Tim Peacock for further distribution. All in order to make our prayers for each other more purposeful.
- Zoom meetings continues in order to get to know each other better, maintaining communication links.
- Sharing ideas, being open and learning from each other.
- Sensitively offering advice and feedback to each other.
- Encouraging visits between the churches.

Our aim is to help each other to discern God's will for His church in a secular world, through listening to God, through discussion and deepening relationships and to spread the good news more widely in our communities.
